The Homi Bhabha National Institute (HBNI), a Deemed University has awarded Ph. D. Degree to following employees /students of RRCAT:

1. Dr. Subhomoy Haldar was awarded Doctor of Philosophy in Physical Sciences on the dissertation, titled "Magneto-optical transport studies on ultra-low disordered semiconductor quantum wells grown by MOVPE", which was supervised by Dr. V. K. Dixit.

2. Dr. Mukund Kumar was awarded Doctor of Philosophy in Physical Sciences on the dissertation, titled "Studies on characterization and application of ultrashort higher harmonic radiation", which was supervised by Dr. J. A. Chakera.

3. Dr. Vinod Kumar Saini was awarded Doctor of Philosophy in Physical Sciences on the dissertation, titled "Laser based isotope-selective photoionization studies on lithium", which was supervised by Dr. S. K. Dixit.

4. Dr. Mohammad Tayyab was awarded Doctor of Philosophy in Physical Sciences on the dissertation, titled "Studies on ion acceleration in ultrashort ultra-high intensity laser matter interaction", which was supervised by Dr. J. A. Chakera.

5. Dr. Shweta Verma was awarded Doctor of Philosophy in Physical Sciences on the dissertation, titled "Studies on plasmonic responses of metal nanoparticles of varied morphologies and their interaction with semiconductor nanostructures", which was supervised by Dr. J. Jayabalan and Dr. B. Tirumala Rao.

6. Dr. Shriniwas Rao Kintali was awarded Doctor of Philosophy in Chemical Sciences on the dissertation, titled "Second harmonic (SH) spectroscopic studies on the effect of amphiphilic molecules-induced adsorption and transport characteristics of an organic cation across a POPG lipid bilayer", which was supervised by Late Dr. Kaustav Das.

7. **Dr. Saroj Kumar Jena** was awarded Doctor of Philosophy in Physical Sciences on the dissertation, titled "Optimization of a multi bunch train filling pattern for the suppression of beam ion instability in electron storage ring: case study of Indus-2", which was supervised by Dr. V. K. Sanecha.

8. **Dr. Charu Mishra** was awarded Doctor of Philosophy in Physical Sciences on the dissertation, titled "Studies on electromagnetically induced transparency in ⁸⁷Rb atoms", which was supervised by Dr. S. R. Mishra.

9. **Dr. Mangalika Sinha** was awarded Doctor of Philosophy in Physical Sciences on the dissertation, titled "Study of structural and optical properties of oxides in soft x-ray regime", which was supervised by Dr. M. H. Modi.

N.11.2: Best Thesis Awards

1. **Dr. Hemant Krishna**, SO/F, Laser Biomedical Applications Division, Laser Group, RRCAT received the "Outstanding Doctoral Student Award-2020" of the Homi Bhabha National Institute during the Homi Bhabha National Institute Award Function-2020 held online on 2nd Dec. 2020. The title of the thesis was "Optical spectroscopy and imaging for diagnosis of oral cavity neoplasia". The award carries a certificate and a cash prize of ₹ 25000.

N.11.3: Swachhta Ranking Award

RRCAT bagged the 1st Rank in Indore Swachhta Ranking under Swachh Survekshan 2021 and awarded for "Cleanest colony of city under zero waste campus category" during an event titled "इंदौर संकल्प 2021 कानक्लेव" organized by Indore Municipal Corporation at Ravindra Natya Graha, Indore on 8th Dec. 2020.
