D.No.1/39/2023-P&PW (E)

Dated : January 5, 2023

*Dear Secretary,*

The Department of Pension & Pensioners' Welfare has been conducting Pension Adalats across Ministries, throughout the country, as part of Good Governance, to minimise Pensioners' grievances. As you may be aware, redressal of Pensioners' grievances is high on the agenda of the Government.

- It has been decided, to convene a Nation-wide Pension Adalat in the last week of March, 2023, by each Ministry/Department/Organization/Field formation through Video Conferencing, for which, a suitable date shall be communicated in due course. The main objective of this Adalat would be prompt resolution of pensioners' grievances, within the framework of extant policy guidelines.
- The hallmark of the Adalat would be leveraging digital technology to conduct the Adalat through VC. While holding these Adalats, each Ministry should ensure the presence of all concerned stake-holders viz. HoD, DDO, PAO and officials of concerned Banks, at the Pension Adalat from their respective locations on VC. A notice, in advance, intimating the time and link for the Video Conferencing for the Adalat, should also be sent to the concerned Pensioner for their participation, if they so desire.
- For effective resolution of the grievances, it is imperative that the Departments should examine the cases in advance and make extensive preparations for the Adalat. In the All-India Pension Adalat held last year, it was noticed that some officials, representing key Ministries, came unprepared and also did not abide by the time-lines given for resolution of the grievances subsequently. This has been viewed seriously and this year, as suggested by the Department Related Parliamentary Standing Committee, this Department shall recommend punitive action against such officials to the concerned Ministry/Department.
- Only those grievances are to be taken up which fall within the extant Pension policy/guidelines. Family Pension cases and those cases pending from the last Adalat should be given priority. The Ministries/Departments/Organization having field formations in different parts of the country may organise the Pension Adalats in these formations also on that day, so that this effort has a Pan-India effect.
