

Report on Swachhta Pakhwada - 16th to 28th Feb 2018

Precision Power Supplies Division, EAG, RRCAT

As a part of special campaign for Swachhta Pakhwada cleaning was taken up in labs under the control of PPSD directing a special focus on promoting cleanliness. The labs were situated in ADL and MIA buildings. Following activities were carried out by laboratory team members. Few photographs of the cleanliness before and after the drive are also attached.

Sr. No.	Date	Activity
1.	16/02/2018	Sorting & scraping of old papers and stationary. Cleaning of equipments kept in rooms and labs.
2.	19/02/2018	Arranging and cleaning of H.V. equipments
3.	20/02/2018	Unused cabinets of power supplies were identified and useful material were retrieved from them. Unwanted material was disposed off. The empty cabinets can now be used for assembly of new power supplies.
4.	21/02/2018	Identifying equipments and computer peripherals which are nonfunctional and has remained unused for quite long time were identified for disposal. In ADL office, unwanted documents were destroyed (by shredding & tearing).
5.	22/02/2018	Shifting and arranging non-functional materials at one place to declare them as scrap.
6.	23/02/2018	Weeding out the material which is not in usable condition, digitizing some of the records / data and documents and suitably rearranging material/equipment.
7.	26/02/2018	Working tables table, storage racks and sitting table were cleaned and rearranged properly.
8.	27/02/2018	Windows and pelmets of rooms were cleaned. Cobwebs were removed. Dusting of roofs and walls was done.

A. Cleaning and proper arrangement of working tables before and after the drive in F-10, MIA building:

B. Cleaning and arranging of components before and after the drive in High Voltage Lab:

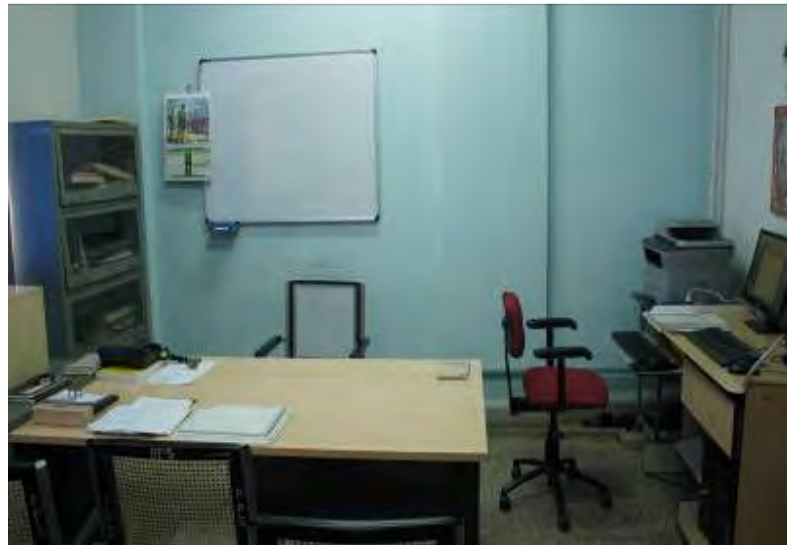

C. Cleaning and arranging of components before and after the drive in Transformer Winding Room:

D. Cleaning and proper arrangement of equipments in LAB- G129 ADL Building:

E. Cleaning and proper arrangement of furniture and documents in G 127 ADL Building:

F. Scrap items marked and kept separately for disposal:

G. Photograph showing cleaning of cobwebs in ADL office under PPSD:

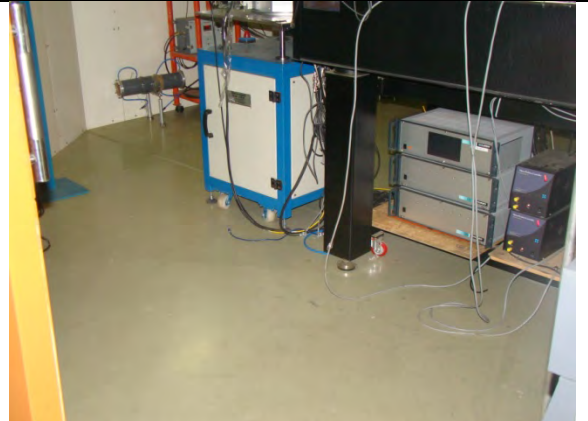

Two drives of cleaning were taken up
the first was on the 16th February and the second on the 28th Feb 2108.

LCW Plant Building

Swachata hi Seva: Abhiyan in Accelerator Coolant Systems Section (ACSS),
Beam Diagnostics and Coolant Systems Division, RRCAT, Indore

ACSS staff members conducted the cleanliness drive in the LCW Plant Building under the **Swachhata-hi-sewa** campaign of Government of India on Monday (i.e 26 February) and Tuesday (i.e 27 February), 2018.

Following activities were carried out:

- a. The structural material and pipelines were kept systematically. Working area created around the plant equipment area.
- b. Equipment were rearranged and machine is protected from dust. The area cleaned and unused material removed. Cleaning and dusting of service block area, plant equipment and water treatment plant area were carried out.
- c. Rearrangement of mechanical items were carried out and unused items were removed.
- d. Lab working area were cleaned and system devices were dressed.

The enclosed few photographs are presenting the above mentioned work and site condition.

Swachhata Pakhwada

16-02-18 to 28-02-18

(Swachha Bharat Abhiyan)

- Continuing with earlier drives and the inculcated habit, we again carried out the cleaning drive in the last fortnight.
- Apart from regular cleaning, special drive was carried out during the “Swachhata Pakhwada”.
- An inspection before and after the special drive was done. Photographs before and after the drive were taken and some of them are presented in this report.
- All the officials of the division actively participated in the activity. The scrap material has been removed, instruments and components are properly re-arranged.
- After completing the cleanliness drive the level of cleanliness has improved to a better level.

under Swachata-Pakhwada (Feb 16, 2018 to Feb 28 2018),
R&D Block-A, A1&A2 buildings in RRCAT

Staff members of various divisions located at R&D Block-A, A1 & A2 conducted a joint cleanliness drive around the buildings of three blocks under Swachhata-Pakhwada campaign of Government of India on Friday, Feb 23, 2018. Staff members of following divisions participated in the drive with enthusiasm and pleasure.

- 1) Materials Science Division
- 2) Laser Physics Application Section
- 3) FEL Utilization Lab
- 4) Laser Materials Processing Division
- 5) Cryogenic Engineering & Cryomagnet Technology Section

All staff members were happy to participate in the drive and they helped one another during the cleanliness drive. Few photographs of cleanliness drive, including before and after the drive, are appended below. Office staff also conducted cleanliness drives individually in their sitting rooms and lab areas, which are routinely maintained clean.

Reply-To: <director@rrcat.gov.in>

Dear Colleagues,

I would like to clarify that all Divisions/Ind. Sections must carry out a cleanliness drive in and around their buildings, including office rooms.

Only after cleanliness drive, the cleanest room should be chosen and nominated to the Green Campus committee.

Please also mail photographs of the cleanliness drive in your respective Div/Sec to the Committee for compilation and onward transmission to DAE, as done in last October.

All Group Directors are requested to make sure that the Div/Sec under them carry out the cleanliness drives.

With best regards,

Prasad Naik

SUBJECT: Nominations requested for the cleanest office of Division / Independent Section

The DAE Secretariat, vide D. O. No. 4/8 (2) / 2018-SSS/167 dt 14/02/2018, has asked to rate all offices within the units on the basis of cleanliness during the Swachhta Pakhwada; which is being celebrated from 16th to 28th February, 2018, in all the units and its field functionaries.

In this regard, it is requested to nominate the cleanest office of your Division / Independent Section at the latest by February 28, 2018. A team appointed for this purpose would visit these offices for deciding the best three among the received nominations.

The nominations are to be submitted by email to green-campus@rrcat.gov.in.

This has been issued with the consent of the Director, RRCAT.

With warm regards,

S. D. Sharma
Chairman - Advisory Committee for Clean and Green Campus

Swachchhata campaign in R&D Block G (28th Feb. 2018)

Swachhata campaign in and around R&D Block G building was carried out on 28th Feb. 2018. Garbage near the walls of building along with non-usable items in work places and outside building area were removed to have cleanliness inside and outside building. Some of the photographs of cleanliness drive are as below:

Before cleaning outside front wall of Block G

After cleaning outside front wall of Block G

Before cleaning near back wall of Block G

Please see the attached letter from Shri Mervin Alexander JS(AA).

We need to do some more planning on the Swachhata Pakhwada.

Please suggest.
